Commissioner for Patents

The response timely submission under 37 CFR 1.111 filed on April 16, 2004 is not fully responsive to the prior Office action because the amendment fails to comply with 1.111(b) 3rd sentence. Applicant must respond to all arguments of the prior art.

This is held non-responsive and the period for response continues to run from January 16, 2004. Any further submission will not be considered to be a *bona fide* attempt to provide a complete reply to the prior Office action and the period for response will continue to run.

The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178. Need actual surrender for notice of allowance to be issued, not just the offer to surrender.
